O R D E R

This matter arises upon the motion of Gallatin Steel Company (“Gallatin Steel”), filed December 14, 2004, for full intervention. It appears to the Commission that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. The Commission also recognizes that a procedural schedule was established in this proceeding by Order dated November 30, 2004. The Commission, being otherwise sufficiently advised, finds that Gallatin Steel should be granted full rights of a party in this proceeding and should accept the procedural schedule as it now stands.

IT IS HEREBY ORDERED that:

1. The motion of Gallatin Steel to intervene is granted, and Gallatin Steel shall accept the existing procedural schedule.
2. Gallatin Steel shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should Gallatin Steel file documents of any kind with the Commission in the course of these proceedings, it shall also serve a copy of said documents on all other parties of record.

Done at Frankfort, Kentucky, this 21<sup>st</sup> day of December, 2004.
